

Dear Potential Sponsor,

The Sudbury Gladiators Football Club is a member of the Ontario Football Conference (OFC), Junior and Varsity levels. We are a community-based organization for youth, 14 to 19 years of age. As Sudbury's only junior and varsity football team, we compete against teams from Burlington, Hamilton, York-Simcoe, Toronto, Kitchener-Waterloo, Chatham, London and Mississauga. The Sudbury Gladiators are supported by many committed volunteers – coaches, trainers, team manager, board of directors, equipment manager, and numerous others. As a non-profit organization the club relies on sponsors and players fees to operate each summer. Donations and fees are used for:

#### **Player Equipment**

The club supplies the majority of the equipment for each player. Each season helmets are recertified, equipment is cleaned and repaired, and new equipment is purchased. The majority of your donation will be applied directly to this expense.

#### **Game Needs**

At each home game, the club must pay for field rental, certified referees, and medical personnel. For all road games, the club must supply bussing.

#### **League Administration**

The club is responsible for insurance fees for each player, coach, and board member as well as such expenses as rental of practise fields, equipment storage, and various league and playoff fees.

Our registration fee for the 2011 season is **\$500.00** per player. The club has encouraged players to seek out sponsorship to assist with this financial burden. **Please consider being one of these very important sponsors!**

#### **For a donation of less than \$250;**

1. Your company logo to appear on our website ([www.sudburygladiators.com](http://www.sudburygladiators.com))
2. If you have a website, we will make your logo on our website a 'live link' so viewers can be directed to your site from ours.

#### **For a donation of \$250-399;**

1. **Everything** in the above package as well your logo will be put in our game program for all home games.

#### **For a donation of \$400-500;**

1. **Everything** in the above 2 packages. Also, the game announcer will acknowledge your company as a major team sponsor during our home games and your name will appear on signage at all home games.

We thank you in advance for your consideration and support.
